the Bureau a closing report on ALONSO HIDALGO BARRIOS, Cuban Consul General, who it appears will shortly be replaced as Consul General in Miami. (S)(u) *has been down*

It appears that there is insufficient information at the present time on which to predicate separate investigations of YSABEL BENITEZ ALVAREZ and JOSEFINA DIAZ TAMAYO, clerical employees of the Consulate. (S)(u)

Miami is not giving consideration to the development of [Miss LINGOYA] as a PSI since she has defected from the Consulate. It appears she is not in a position to furnish current information on a continuing basis; however she has expressed her willingness to supply information re any matters within her knowledge at any time when so desired. (S)(u)

This memorandum is being marked "Confidential" as it contains data which could reasonably result in identification of confidential informants of continuing value and compromise future effectiveness thereof.

In view of expressions of fear voiced by [Miss LINGOYA], the Chief of Police, Hialeah, Florida, was informed concerning her present status. (S)(u)

On September 14, 1959, [Miss LINGOYA] advised she had received a personal visit from the Chief of Police of Hialeah. (S)(u)
